Department of Medical Genetics

Memorandum: To the Dean

Subject: Dr. Atwood

I was very well impressed with Kimball's interest, as well as his qualifications, for the post in Medical Genetics. I hope a common understanding will be possible. There is no one in the country, at any position, that I would rather have as a colleague in this enterprise.

Next week, I will prepare a formal resume, appreciation and recommendation, so this will be ready for your return from the Near East, (or should we call that the Levant). Do have a pleasant journey.

I neglected to get Atwood's signature on a voucher for his travel. The round-trip air fare from Oak Ridge is \$85. Mrs. Atwood accompanied him for what I hope will prove to be good reasons. Should there be some accommodation on her account?

Yours sincerely,

Joshua Lederberg

P.S. Dr. Atwood's address is:

Dr. K. C. Atwood
68 1/2 Outer Drive
Oak Ridge, Tenn.
